Services

Road Services

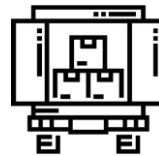

Express

Our Express option stands as the optimal solution for those critical shipments requiring seamless delivery. A service that prioritizes swift responsiveness and delivery, coupled with the convenience of real-time tracking and the assurance of timely delivery.

15-20 minutes after receiving the request. 24 x7 Service

Europe, Morocco, Turkey, Eastern Europe (Serbia, Kosovo, Albania, Macedonia, Bosnia H, ...)

Semi-Express

For urgent transports with flexibility, our Semi-Express offers prices up to 50% lower than Express options. With delivery times falling between conventional groupage and urgent shipments, the Semi-Express service is highly recommended for B2B deliveries with more flexible timings.

15-20 minutes after receiving the request. 24 x7 Service

Europe, Morocco, Turkey, Eastern Europe (Serbia, Kosovo, Albania, Macedonia, Bosnia H, ...)

FTL

When dealing with voluminous or heavy-weight cargo, opting for a Full Truck Load (FTL) is the ideal choice. We reserve an entire truck dedicated to your cargo, ensuring direct transportation from the loading point to the final destination.

15-20 minutes after receiving the request. 24 x7 Service

Europe, Morocco, Turkey, Eastern Europe (Serbia, Kosovo, Albania, Macedonia, Bosnia H, ...)

Express Air Services

OBC

Customised service for accompanied shipments that require special care and need to be delivered as soon as possible. We have a global network of specialised professionals to ensure that your shipment arrives swiftly. .

15-20 minutes after receiving the request. 24 x7 Service

Worldwide coverage except countries with embargoes, war countries or with any warlike issues

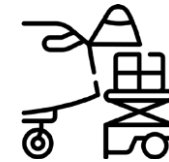

NFO

For extremely urgent or highly sensitive shipments. The cargo goes under priority rate, thus guarantying that the cargo departs in the first available flight. Within Europe there are certain limitations with the height of the pallets, up to 100cm or even less in certain routes.

20 minutes after receiving the request, during the weekend this time can be up to 30-40 minutes. 24x7 Service

Europe, USA, China, Mexico, Morocco and Japan

Air Charter

Whenever the NFO or the OBC cannot reach the desired transit time, we can offer a wide range of aircraft available for those critical urgencies. Regardless the weight and dimensions.

20-30 minutes after receiving the request, except special request for wide-body aircraft. 24x7 Service

Worldwide coverage except countries with embargoes, war countries or with any warlike issues. Subject to fly permits.

Specialised in **premium freight**, with a **24/7 service**, we operate with the **main sectors** of the economy.
